Janet J

Hair and Makeup Artist

Janet began her career as a beauty therapist and then went into full-time education to achieve a qualification in Specialist Makeup and Hair for films, TV, theatre, and stage. Janet has worked on short films and music videos as a hair and makeup artist to gain crucial experience within the industry. She is transitioning into larger productions and has recently worked in the Crowd room on season 3 of "Atlanta" starring Donald Glover and LaKeith Stanfield. She also worked as a hair and makeup trainee on a new Apple TV series.

Janet specialises in HD lace wigs prep on block, install/dressing out, male grooming, modern and period hair and makeup for all skin types and hair textures. She is also skilled in SFX prosthetics, both in terms of making and application, and body painting using an airbrushing machine. She is certified to do eyebrow shaping, eye lash perm lifts, nails, massages, Dermalogica and Decleor skincare, facials, and waxing.
