

Dumebi Anozie

Hair and Makeup Designer

Dumebi is known for her can-do approach to both makeup and hair design. She is particularly good working with Afro hair and with people of colour and has a long-standing relationship with Letitia Wright as her personal hair and makeup artist. Dumebi is highly skilled in hair and makeup design for film and TV and red-carpet events.

She has been involved in some of the most acclaimed productions to hit out TV and cinema screens over the last few years, including Small Axe, Silent Twins, Death on the Nile, Pan and Cinderella. Dumebi understands the story of hair and makeup throughout the ages and can translate the director's vision with her great eye for looks. She is a good communicator and is able to manage the hair and makeup budget and team effectively plus put actors at ease. She's also adept at continuity and breaking a script to tell a story.
