

Elena Diaz

Hair and Makeup Artist

Elena has been working in film, beauty and predominantly TV for more than a decade. She has excellent knowledge and experience of various camera formats as well as being confident with hair styling, braiding, makeup, male grooming, and airbrushing. She keeps up-to-date with current catwalk and street trends, and uses these inspirations for her work as a hair and makeup artist.

Elena is a well-rounded hair and makeup professional, that has worked in a range of sectors, including editorial, commercials, advertising, events, and music. Her TV experience is vast, and she has the ability to be a crucial part of the team in a multitude of programming, whether that's a documentary, live filming, current affairs, or reality TV. This makes her flexible and a great fit for any production.
