

## Tamara Ramsey-Crockett

### *Hair and Makeup Artist*

Tamara is an experienced and ambitious media hair stylist and makeup artist who strives for perfection and pays attention to the smallest of details, with passion and drive. She is an accomplished all-rounder and knowledgeable and experienced in working on feature films such as Cruella, Fast and Furious 9 and Aladdin and TV programmes that include Pilgrim – Star Wars, The Voice and Small Axe, alongside publications, catwalk, and a plethora of campaigns and commercials for well-known brands such as Nike, Iceland, Schweppes and Dyson.

Her artistic creativity developed from a degree in Art along with extensive training in makeup and beauty. She is trained in all skin tones and hair textures including curly and Afro hair as well as various hair and makeup techniques and skills needed for film/TV, fashion/editorial, music videos, advertising, runway, bridal and events. This ranges from air-brushing to barbering, aging to SFX, hairdressing and makeup for period and modern times. She is also fully proficient at continuity and has a thorough understanding of culture and history of hair and makeup. Her background allows her to adapt to any specification with a real understanding to cater for the clientele and brief.
