

## Christelle G

### *Hair and Makeup Designer*

Christelle is a professional Hair and Makeup Designer who flourishes in her work and embraces the constant new trends in the makeup industry. She consistently challenges her creativity and skills by looking for inspiration in everything around her and continuously practising her craft. She is a valuable team member and leader, and loves sharing her ideas and knowledge. Throughout her career as a Hair and Makeup Designer, she has mastered the skill of problem solving and thinking on her feet, whilst remaining calm and professional. She is passionate about creating a positive and dynamic work environment, in order to produce high quality work, and where her team can inspire one another.
