

Vonda K. M

Makeup Designer

Vonda is a leading makeup designer in Los Angeles, renowned for her work among stars like David Oyelowo, Issa Rae, Regina Hall, Bernie Mac, and Kevin Hart. Recent credits include *One of Them Days* starring Keke Palmer and SZA, and Apple TV project *Government Cheese*. As a licensed cosmetologist, Vonda excels in skincare, beauty and character makeup, laying facial hair, special effects, and hair styling. Whether crafting a natural look or a dramatic transformation, Vonda's meticulous attention to detail ensures that every client looks and feels their best. Her exceptional skills have made her a favourite among directors such as Ava Duvernay, Chris Robinson, and Robert Altman, who rely on her to bring their visions to life. Her impressive portfolio and unwavering dedication have solidified her reputation as one of Hollywood's most sought-after hair and makeup professionals.
