

## Sangeet P

### *Prosthetic Makeup Designer*

Sangeet is a Dorset based prosthetic makeup designer with over 20 years of experience. Along with his team of artists he provides concept artwork and character design, stock and custom-made prosthetics, wigs, props and body replicas for productions. His credits include Shark Attack, Dreaming Whilst Black and Wednesday. Along with physical SFX skills, he is now specialising in the digital side of prosthetics and works extensively with 3D printing. He excels in delivering aging, injury and horror and fantasy prosthetic work and prides himself on offering seamless, high-quality services for diverse talent.
