

Min Sandhu

Chief Makeup Artist

Min is a London-based makeup artist with over 14 years of experience working across fashion, commercial and celebrity sectors. Known for a refined, skin-focused approach that is inclusive of all skin types and tones, she combines technical artistry with a deep understanding of beauty, wellness and skin physiology.

Trusted by globally recognised brands and publications, Min brings a calm, professional presence on set and an exceptional ability to translate creative direction into polished, modern beauty looks. Alongside her client work, she is passionate about education, regularly sharing industry expertise through masterclasses and mentoring.
