

Amrita M

Hair and Makeup Artist

Amrita Mudan is a Midlands-based hair, makeup, and prosthetics artist with over five years' experience in high-end television and film, plus nine years across music, fashion, commercials, and short films. Her work spans across all hair textures, character and technical makeup, and specialist realism prosthetic application, skin painting, and beauty makeup for all skin tones. She can also cut hair and barber. Amrita has worked on HETV productions for BBC, ITV, Amazon Prime, and Netflix, and designed hair and makeup for award-winning shorts screened at BAFTA and festivals including Venice, BFI Film Festival, and Santa Barbara. A BAFTA Connect member and visiting lecturer at the University of Birmingham, she is also a licensed facial therapist and oncology-trained skin specialist, bringing a considered, skin-first approach to every project.
