

Remia E

Hair and Makeup Artist

Remia is a Hair and Makeup Artist working within the television and film industry. She has experience as a trainee supporting both main cast and Supporting Artists/Crowd and has worked across a range of productions in makeup artist and assisting roles, as part of both the core team and as a daily. She has a strong understanding of continuity, working closely to character briefs, and accurately documenting continuity notes using appropriate digital platforms. Remia contributes to the smooth running of makeup trucks and on-set makeup rooms, including kit organisation and stock replenishment. In addition to her screen work, she has a background as a makeup artist in e-commerce, bridal, and fashion photoshoots, bringing versatility and a strong eye for detail to her work.
